LOUISIANA STATE LOTTERY

The Villainous Old Fraud Reappears
Under a New Name in Mobile.
Raided by Secret Service
Men

Mobile, Jan. 24.—The United States
secret service men raided the Hon-
duras Lottery company's printing of-
fice here last night. The secret service
men came from Washington and were
aided by local customs officers in mak-
ing the raid upon the office which was
advertising the lottery company, which
is the remainder of the old Louisiana
State Lottery.

The officers confiscated everything
found in the establishment raided and
E. L. Ponce and Lewis Graham, of
New Orleans, were arrested, together
with eighteen employees of the house.

The case was worked up very cleverly
and the raid was made quietly, the
whole establishment being invaded be-
fore it was suspected that the secret
service or customs officials were any-
where about. The prisoners were re-
leased this morning under bond.

AN INSIDIOUS DANGER

One of the worst features of kidney
trouble is that it is an insidious disease
and before the victim realizes his dan-
ger he may have a fatal malady. Take
Foley's Kidney Cure at the first sign
of trouble as it corrects irregularities
and prevents Bright's disease and dis-
turbances. Sold by all druggists.

DARKIES NOT DETERRED

From Joining the Army by the Browns-
ville Incident

Kansas City, Mo., Jan. 24.—Recruit-
ing officers in this city have received
orders to enlist negroes for army ser-
vice in the Philippine Islands. The of-
ficers say the negroes are anxious to
join the army, in spite of the Browns-
ville affair.

A WONDERFUL HAPPENING

Port Byron, N. Y., has witnessed one
of the most remarkable cures of healing
ever recorded. Angus P. King, of that
place, says: "Bucklen's Arnica Salve
cured a sore on my leg with which I
had suffered over 50 years. I am now
eighty-five." Guaranteed to cure all
sores, by Tydings & Co., druggists, 25c.

BELLEVIEW

Mr. J. A. Tremere's residence on
West Front street looks beautiful with
its fresh coat of gray and white paint
put on by the skillful hands of Mr. S.
G. Thomas, Belleview's expert watch
and clock repairer and sign and house
painter.

Mr. J. N. Hilton presented Mrs.
Joseph Millson with some grapefruit
blossoms on the 15th of January. It
seems rather early for them.

Mrs. C. H. Hilton's friend, Mrs. Wil-
liam Aupurt, who has been spending
some time in Jacksonville, arrived last
Monday to spend a short while with
Mrs. Hilton.

Mr. and Mrs. J. A. Tremere made a
quitting trip to Shady Grove Sunday.
They went on a visit to relatives. Up-
on reaching there they found they were
not at home so they returned home at
about 2 o'clock, tired out from the ride
in the heat of the day.

Rev. Barze has been quite lame for
the past few days from the effects of a
deer hunt. A deer kicked him on the
leg. He was able to preach Sun-
day, however.

Mr. James Freeman, Mr. Jack Free-
man and Mrs. E. E. Gaskins spent one
day last week with their sister, Mrs. J.
A. Freeman at this place.

Mr. O. M. Gale's new residence is be-
ing beautifully added to by having rock
piers put to the front veranda. The
work is being done by Messrs. Louis
N. Tyrrell and J. H. Colds.

The Belleview Workers are getting
up a play, the title of which is "The
Pekin Sisters." They intend having it
next Tuesday night at the Town Hall,
if nothing prevents. Tickets will be on
sale. We hope there will be a good at-
tendance as it is for a good cause.

Judge L. L. Hopkins who went to
Jacksonville last Monday week to rep-
resent the Belleview lodge of Masons at
the Grand Lodge meeting, has re-
turned home and reports a very fine
time and a large attendance.

WHY

should your baby suffer? When he
is fretful and restless, don't experi-
ment on him and use any old thing
your neighbor recommends. Buy a
bottle of White's Cream Vermifuge,
greatest worm medicine known, and
cure for all children's diseases. It is
mild in its action, builds up the sys-
tem, makes thin puny babies fat. Mrs.
J. C. Smith, Tampa, Fla., writes: "My
baby was thin and sickly, could not
retain its food and cried all night. I
used one bottle of White's cream Ver-
mifuge and in a few days baby was
laughing happy and well." Sold by
the Anti-Monopoly Druggists.

SOUTH LAKE WEIR

The condition of little Edward Reed,
who has been critically ill with ap-
pendicitis, is much improved, and there are
hopes for his recovery.

Mr. F. R. Upham and wife, of Mel-
rose, Mass., arrived on the 22nd and
are located at the Pleasant Hills House.
This is Mr. Upham's fourth visit here.
Mr. J. M. Moffet, who bought the
Reed saw mill, has removed the ma-
chinery to Ocala.

Next Sunday, Jan. 27th, and on ev-
ery alternate Sunday thereafter, the
Union Sunday school will begin at
9:20 a. m. in order to allow those who
wish to also attend the preaching ser-
vice at Weirside time to do so. On
other Sundays the sessions will begin
as usual at 10 a. m.

Clear up the complexion, cleanse the
liver and tone up the system. You can
best do this by a dose or two of De-
Witt's Little Early Risers. Safe, re-
liable little Pills with a reputation. The
pills that everyone knows. Recom-
mended by Anti-Monopoly Druggists.

THE TRIAL OF THAW

Began in New York Wednesday Morn-
ing—Hundreds of Curious People
Shut Out of the Court Room

New York, Jan. 24.—Scenes ap-
proaching closely absolute disorder
marked the opening of the trial of
Harry Thaw here yesterday for the
murder of Sanford White.

The most of the clashes were be-
tween the reporters and police. About
two hundred newspaper men were
present and tried to crowd into the
space allotted to the press, and there
were frequent clashes between them
and the police, the latter trying to keep
them back into place. This created so
much disorder that it finally became
necessary to exclude all but fifty news-
paper men from the room, as space for
more than this number could not be
secured.

The remaining space was reserved
for the 200 special talesmen who had
been summoned from which to select
a jury.

The trial began before Justice Fitz-
gerald and extraordinary police precau-
tions were taken to prevent disorder in
the court owing to the immense throng
of people who crowded the place for
the purpose of gaining admission to
hear the trial.

Mrs. William Thaw, mother of the
defendant, with her daughters, Coun-
tess of Yarmouth and Mrs. George
Carnegie, together with Mrs. Harry
Thaw, were in their places early.

Harry Thaw entered the court room
appearing very nervous, but he soon
caught sight of his mother, sisters and
wife and sat down beside them and ap-
peared more at ease.

District Attorney Jerome entered the
court room attended by Drs. MacDon-
ald and Flint, alienists, and took his
place for the purpose of conducting the
prosecution.

THE GRIP

"Before we can sympathize with
others, we must have suffered our-
selves." No one can realize the suffer-
ing attendant upon an attack of the
grip, unless he has had the actual ex-
perience. There is probably no disease
that causes so much physical and men-
tal agony, or which so successfully
defies medical aid. All danger from
the grip, however, may be avoided by
the proper use of Chamberlain's Cough
Remedy. Among the tens of thousands
who have used this remedy, not one
case has even been reported to have
resulted in pneumonia or that has not
recovered. For sale by all druggists.

CALVARY

Mrs. A. W. Mander, of Ocala, is visit-
ing Mrs. Wallace.

Our people are rejoicing over the rain
Sunday. The farmers will now start
planting oats and making gardens.

Mr. A. S. J. Wallace attended the W.
O. W. installation in Ocala and report-
ed a jolly time, and the possum sup-
per at Martel was hard to beat.

We are sorry to report that Mrs.
Leah's little boys are having the fever.
People are getting scarce in this
neighborhood as quite a number of ne-
gro families have moved away. If we
could get a number of white families to
settle here it would be nice.

John and George Clemens, two wor-
thy colored farmers, are digging a well.
We hope they may be successful in
finding water.

Miss Lizzie Proctor, of Pedro, spent
a night with her pupils, the Morrison
girls last week. Miss Maggie Mor-
rison spent the week-end previous with
Miss Proctor at her home in Pedro.

Mrs. Maud Williams called at Mr.
Morrison's Sunday.

Your scribble has been silent for a
while. Will try to do better hereafter.
What is the matter with Shady? Be-
cause the regular correspondent is ab-
sent must she be silent? Marion.

LONG LIVE THE KING

is the popular cry throughout Euro-
pean countries; while in America, the
cry of the present day is "Long live
Dr. King's New Discovery, king of all
throat and lung remedies," of which
Mrs. Julia Ryder, of Truro, Mass.,
says: "It never fails to give imme-
diate relief and to quickly cure a cough
or cold." Mrs. Paine's opinion is
shared by a majority of the inhabi-
tants of this country. New Discovery
cures weak lungs and sore throats
after all other remedies have failed;
and for coughs and colds it's the only
sure cure. Guaranteed by Tydings &
Co., druggists. 50c and \$1. Trial bot-
tle free.

FAIRFIELD

The Maccabees met here Thursday
night.

We had a nice shower of rain in our
section Sunday. Some one remarked
if you set out buckets to catch water it
would stop the rain.

our town for a few months.

sister, Mrs. Leslie McLaughlin, in the
town of Lakeland.

Mrs. R. R. Worthington, of Blitch-
ton, visited R. T. Crouch Saturday.

Mr. A. J. Jones sold his place to Mr.
Thigpen and he is now fixing to build
near his home.

Saturday.

Miss Ollie Matthews and grandmother
of Flemington attended preaching here
Sunday.

Mr. E. S. Jennings went to McIntosh
Saturday on business.

Mr. and Mrs. Jeremiah spent Sunday
with Mrs. S. S. Jennings at this place.
Mr. Roy Smith and Mr. Alf Sikes

THE JOY

of living is to have good health. Use
Herbine and you will have bushels of
joy. You need not be blue, fretful and
lame that had taste in your mouth.
Try a bottle of Herbine, a positive cure
for all liver complaints. E. Harrell,
Austin, Texas, writes: "I have used
Herbine for over a year, and find it a
fine regulator. I gladly recommend
it as a fine medicine for dyspepsia."
